

OTS PRIVACY NOTICE

The Office for Transportation Security (OTS) upholds its commitment in ensuring the security of the country's transportation system consistent with national and international standards, while maintaining the protection and privacy of its stakeholders seeking its services, pursuant to Republic Act No. 10173 otherwise known as the Data Privacy Act of 2012.

Collection

Personal data collected by the OTS both in physical and electronic from customers/stakeholders, may vary based from the type of service/s availed, and for reasons necessary in order to validate and act upon such request. The OTS may collect personal, sensitive and non-personal information including but not limited to: Full name, gender, place and date of birth; Residential/permanent address; Personal contact details, including telephone number, email address; Copy of identification cards, TIN, GSIS/SSS/PAGIBIG number; Bank account number, latest income documentation; Other information necessary to provide you with the service that you need.

Use

We use your personal data/information in compliance with laws, rules, regulations, policies and requirements issued by government organizations/institutions such as the Civil Service Commission, Commission on Audit, Department of Budget and Management, Bureau of Internal Revenue, Congress of the Philippines, National Archives of the Philippines, Office of the President, Office of the Ombudsman, Department of Foreign Affairs, Bureau of Treasury and others.

Sharing

Data collected by the OTS may only be shared upon the consent of the Data Subject and the Personal Information Controller and except for legitimate purposes only.

Retention and Disposal

Personal data/information collected by the OTS were kept for 1 year or as long it is necessary. If purpose has been served, proper disposal of the data collected will be done in accordance with the policies of the National Archives of the Philippines, and other pertinent laws, rules and regulations.

Security

The OTS implements appropriate organizational security measures designed to protect data against accidental or unlawful destruction, loss, alteration, unauthorized disclosure, and access, in accordance with applicable laws, rules and regulations.
